

# Camp Packing List

Fall Camporee 2026 · Camp Outer Rim

Benicia Girl Scouts · Service Unit 201

## Bring these forms to check-in

**Girl Scouts:** Health History Form, Annual Permission Form, Event Permission Form.

**Adult volunteers:** Health History Form and Troop Driver Form — including Saturday-only volunteers, and any licensed adult who does not expect to drive.

**Taking medication?** Also bring the Girl Medication Permission Form if she takes medication that may need to be administered during Camporee — including as-needed medication such as an inhaler or EpiPen.

Forms run October 1 – September 30. Anything completed before October 2026 has expired — please use the current membership-year version.

## Before you pack

**Mess kits are required for this event.**

Please label all belongings with your camper's name. Benicia Girl Scouts Service Unit is not responsible for misplaced or left-behind items.

Pack in a backpack or duffel bag — please, no suitcases. Campers should arrive dressed for camp in comfortable clothing that may get dirty, and closed-toe shoes.

Adults may help campers gather their belongings, but Girl Scouts should take the lead in packing their own bags. Packing builds independence and means she knows where to find her flashlight, toothbrush, and clothing once she is at camp.

## Overnight campers

Days may be warm, but evenings and nights get very cold. Pack clothing that can be layered.

### Clothing

- |                                                                |                                                      |
|----------------------------------------------------------------|------------------------------------------------------|
| <input type="checkbox"/> 2–3 pairs of underwear                | <input type="checkbox"/> 2–3 pairs of socks          |
| <input type="checkbox"/> 1 pair of shorts                      | <input type="checkbox"/> 2 pairs of pants            |
| <input type="checkbox"/> Short-sleeve T-shirt                  | <input type="checkbox"/> Warm sweatshirt or jacket   |
| <input type="checkbox"/> Warm pajamas                          | <input type="checkbox"/> Warm sleeping layers        |
| <input type="checkbox"/> Dry clothes to change into before bed | <input type="checkbox"/> Baseball cap or brimmed hat |
| <input type="checkbox"/> Extra pair of old shoes               |                                                      |

*Girl Scouts will also receive an event T-shirt at camp. For sleeping, consider leggings, fleece pants, or long underwear beneath pajamas — extra socks and a beanie help too. Change completely into dry clothing before bed: clothing worn during the day holds moisture and will make you colder.*

| <input type="checkbox"/> One ingredient for the group GORP snack         | <input type="checkbox"/> Health History Form          |
| <input type="checkbox"/> Annual Permission Form                          | <input type="checkbox"/> Event Permission Form        |
| <input type="checkbox"/> A positive attitude and readiness for adventure |                                                       |

## Adult volunteers

Pack the same basic clothing, toiletries, sleeping gear, and camp essentials listed for overnight campers, plus:

- |                                         |                                     |
|-----------------------------------------|-------------------------------------|
| <input type="checkbox"/> Extra blankets | <input type="checkbox"/> Coffee mug |
|-----------------------------------------|-------------------------------------|

It gets very cold overnight — layers work best, and it is better to bring too much than to be too cold to sleep.
